

# Start Your Path to Certification as a **CERTIFIED DEMENTIA CARE PRACTITIONER®**

Geared toward healthcare professionals and frontline staff, this course will prepare those pursuing Certified Dementia Practitioner® certification. Participants must qualify through the National Council of Certified Dementia Practitioners (NCCDP). Visit [nccdp.org](http://nccdp.org) for more details.

## **Alzheimer's Disease and Dementia Care Seminar**

Saturday, Apr. 18, 8 a.m. to 5 p.m.  
BHLTH-0500-001, \$215

Course curriculum includes modules on the following topics: diagnosis, prognosis, treatment, depression, repetitive behavior, paranoia, wandering, catastrophic reactions, intimacy and sex, personal care, pain, nutrition, activities, environment and more.

## **Instructor**

**Mary Horstman R.N., M.B.A., CADDCT**, is a NCCDP certified trainer. She has 20 years' experience and training in geriatric care, including her work as a geriatric psychiatric nurse, experience in home care and teaching and training others in Alzheimer's care. Horstman has been a Certified Dementia Practitioner® for more than seven years and earned her Dementia Practitioner Care Trainer Certificate in 2017.
